# HEADQUARTERS ON X'MAS DECORATIONS.

*"Well bought is half sold."*

Careful attention, close buying and selling have secured for us a leading control in Christmas Decorations. We shall give our customers the benefit of the favored position we enjoy in this line, furnishing goods of superior quality at rock bottom prices. We again unhesitatingly express our sincere belief that we can save you money whether you buy by the crate, ton or carload. Please write for our special quotations whenever you are ready to buy.

Special inducements on advance contracts.

## LYCOPodium OR BOUQUET GREEN.

SELECT STOCK, FRESH PICKED.

We handle immense quantities of Bouquet Green during the months of November and December, having our own agent supervising the gathering, packing and shipping of this stock. It pays our patrons well during the busy holiday season to be sure of getting good Green, free from old discolored stock. Poor Moss, mixed with all kinds of rubbish, causes not only a waste of material, but also of time, and at that season of the year every minute lost means good money lost to the florist.

**BOUQUET GREEN** (until October 31st): Per crate of 100 lbs., \$5.00.

Prices on Green fluctuate. Please write us whenever you are ready to buy and we will send you rock bottom prices on crate, ton or carload lots.

Remember that if Green is in the market Barnard has it.

## EVERGREEN WREATHING.

WIRE WOUND, OF SUPERIOR WORKMANSHIP.

We employ a large force of experienced green-winders during the season, winding immense quantities of Evergreen Wreathing, and keep a good supply of the different grades in stock. Telegraph orders will receive prompt attention.

Write for samples. We mail them free.

**Medium Heavy Wreathing**, per 100 yards, \$3.50; per 1,000 yards, \$30.00.

**Extra** " " " " 4.50; " " 40.00.

## HOLLY.

WELL BERRIED -- GOOD BRANCHES -- SOLID PACKED CASES.

We engage experienced packers to put up the immense quantities of Holly we are handling, and are therefore assured of Holly of as fine quality as the country affords. In order to always supply the trade with strictly fresh-cut Holly we have continuous shipments arriving from the first of December to the day before Christmas. Our record for prompt delivery is well established. Place your orders early and place them with us. No enterprising florist can afford to be disappointed on this profitable Christmas stock.

Per case of 16 cu. ft., well packed, \$5.00; 5 cases for \$22.50.

## HOLLY WREATHS.

Made on rattan, out of select Holly, about 12 inches diameter.

Per doz., \$2.00; per 100, \$15.00. Special prices on larger quantities.

## MISTLETOE.

Select stock, carefully packed. (By express only.)

Mistletoe being a very delicate article our responsibility ceases when delivered to the express company.

Per bbl., \$5.00.
